

## *Te Arai Lodge*

Boasting a spectacular location this boutique lodge property is surrounded by acres of ancient podocarp forest and native bush. It is in an elevated position atop a ridgeline, which affords guests expansive views across rolling hills and over towards the beaches and islands of the Mangawhai coast. The design of the property has been inspired by its natural surrounds and ocean, with a welcoming and luxurious ambience. Te Arai uses organic produce grown on their estate which is complemented with fresh local produce such as line-caught fish from a short distance away, giving guests an authentic "Garden-to-table" dining experience.

Yoga and movement classes, massages and spa treatments are offered, or perhaps you may like to enjoy a bike ride along the pristine Te Arai Beach to get a true sense of place. The area is host to a myriad of native bird species for bird watching, and there are trails to hike and explore.
