

Minaret Station

Accessible only by helicopter, Minaret Station treats those fortunate enough to experience this wilderness landscape to a level of comfort and style never before available in the New Zealand mountains. Located at the head of a picturesque glacial valley at an elevation of 915 meters Minaret Station is set in the heart of the dramatic Southern Alps. On site facilities include the 'Mountain Kitchen', with its well stocked library, dining room, living area, open fires, first class chef and on-site private guides. Activities include hiking the many trails; experiencing the life of high country farming; heli mountain biking the region's exciting terrain; taking a helicopter to explore Fiordland and the rugged West Coast; accessing incredible fly fishing rivers; heli skiing; or simply relaxing with a book on your private deck. You will be hosted in luxuriously appointed chalets, complete with sheepskin carpet, king beds, private deck with hot tub, full ensuite and dressing room and endless hot showers drawn from the waterfall above the lodge.

Valid from the 01 May through to 30 November 2020
