## Things to do

Villa Atas Ombak's manager will have a wealth of information about nearby places of interest and will help arrange transport and make any bookings required. Do also ask the staff about the local area. Many of them live nearby and will be able to give an interesting insight into some of the fascinating aspects of Bali life.

In the meantime, here is a taste of the many and varied activities on offer within reach of the villa.

- It's possible to walk the sands of Seminyak's **Petitenget beach** all the way to Kuta in the south, or north to Canggu. The beach is more popular with locals than tourists (not safe for swimming in most sections), but is a great spot for building sandcastles or to watch the sunset as you sip a cocktail from one of the many beachside bars.
- Sports enthusiasts should head to Bali's prestigious **Finns Recreation Club**, with its state-of-the-art gym and tennis and squash courts. Round off your workout with some fine international dining, then stock up on gourmet goodies at the nearby Canggu Deli.
- Be sure to visit mystical **Hotel Tugu** Bali at Canggu Beach. Bali's first museum hotel is studded with priceless Indonesian artworks and antiques and its award-winning spa offers age-old Eastern therapies. If you're planning a honeymoon, this makes a wonderful first night venue.
- The most exclusive **Bali trekking tour** promises breath-taking vistas and heart-warming encounters while supporting sustainable social change in the once-forgotten villages of Muntigunung. Elite Havens is a proud partner of [Muntigunung Community Social Enterprise](#).
- Make the de rigueur pilgrimage to sacred **Pura Tanah Lot**, one of Bali's biggest tourist magnets. Perched high on a craggy, wave-lashed rock, this ancient sea temple is best savoured at sunset but is less busy in the mornings; be sure to receive a blessing from the Hindu priests.
- Fashionistas, trendies and shop-a-holics should hot-foot it down to **Seminyak**, Bali's most cosmopolitan enclave. Here, you can indulge for hours in the glut of stylish, chic boutiques. There is a wide choice of fine dining, mid range, and cheap 'n cheerful restaurants in Seminyak too: fine dining venues include Sarong, the famous Ku Dé Ta, Mama San, La Lucciola, Sardine and Métis.
- Drive westwards to explore the charming **Tabanan Regency**, revealing terraced rice fields of emerald green, volcanic mountains and black-sand beaches dotted with fishing communities. Or head north to explore the volcanic lakes near the mountain town of Bedugul, including Lake Bratan with its photogenic and stunningly positioned Pura Ulun Danu – one of Bali's most important temples.
- Explore Bali's backroads, lakes, volcanoes, forests and beaches on the back of a Harley Davidson bike with Island Biker Tours. Full day **Harley tours**, customised tours or shorter

joy rides can all be accommodated.

- With its warm seas, almost year-round season, relatively uncrowded beach and reef breaks and suitability for all levels of experience, Bali **surfing** is world renowned. There are surf schools aplenty in the Seminyak/Kuta area, so why not sign up for a course and learn how to ride the waves?
- Covering 3.8 hectares of tropical parkland in Kuta, **Waterbom** Bali has 16 water slides (including The Climax with its 360 degree loop) to entertain the young and the young at heart. A great family day out, but go early to beat the crowds.
