Activities and Excursions

Water Purification Ceremony at Tirta Empul

Take part in a traditional Balinese purification ceremony at the historic Tirta Empul temple in north-east Ubud. Your guide will take you through every step of the Hindu purification ceremony in this 1000-year-old temple: making and presenting offerings, traditional prayers, dressing in temple attire and the holy water rituals.

Tampak Siring Biking and Culture Tour

Begin your experience at the stunning vistas of the terraced Ceking rice fields, then cycle on to Tirta Empul. This temple dates back to AD 926, built on a site where springwater naturally bubbles up through the Earth's surface, and a popular location for purification ceremonies. From here it's an easy cycle downhill to Ubud, through some particularly striking local villages.

Sightseeing in Tanah Lot

Tanah Lot is made up of sea temples standing on tide-shaped rocks on the west coast of Bali. This holy site is a popular place from which to see the spectacular sunset. According to lore, these sea temples were built by priest Nirartha, who asked a poisonous sea snake to guard the holy temple.

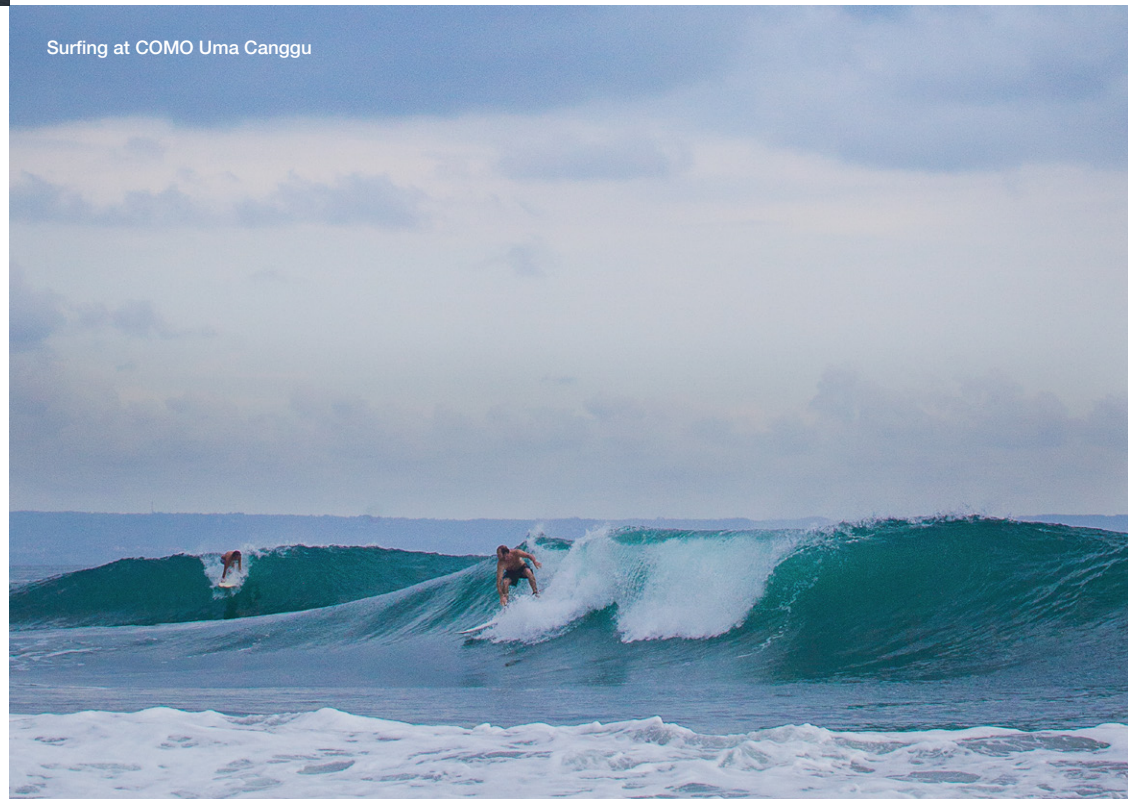

Surfing at COMO Uma Canggu

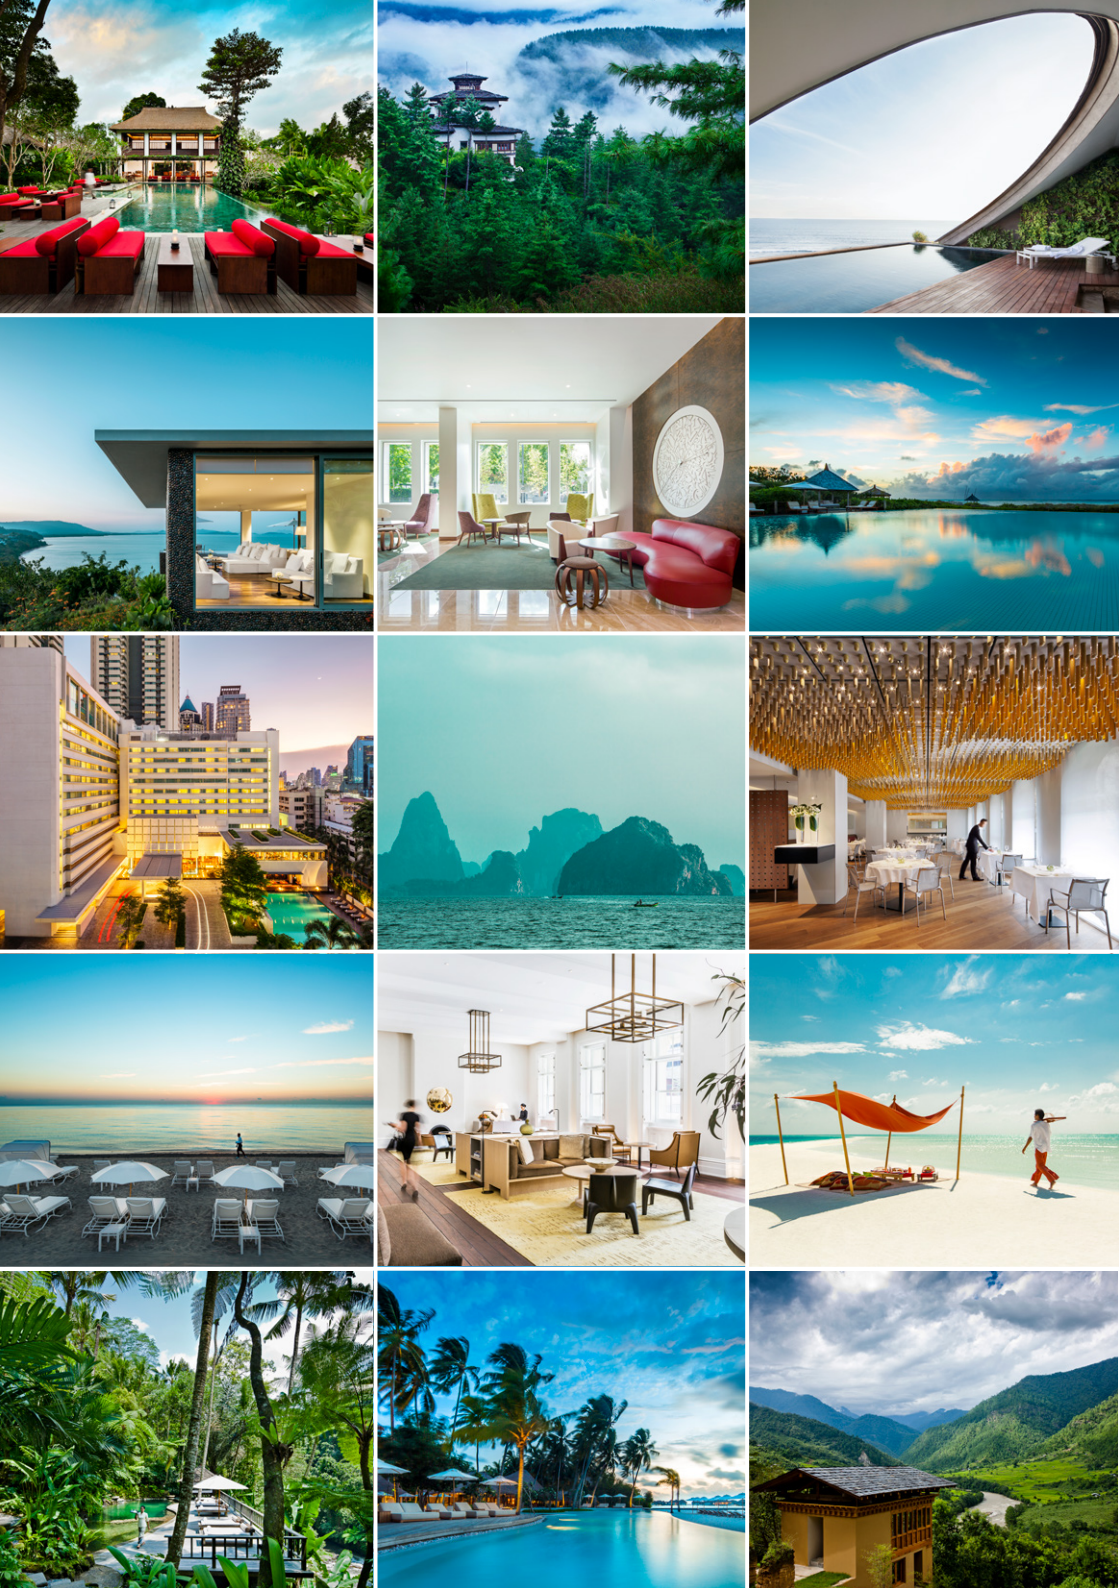

The Canggu coastline, lined with rice paddies, is now home to Bali's hottest surf scene, where local boarders mingle with their international heroes.

An enviable beachside location allows guests of COMO Uma Canggu to get straight into the waves each morning, and enjoy premier surfing tuition from luxury surf pioneers, Tropicsurf.

Qualified Tropicsurf guides cater for guests of all abilities – from fundamental balance training in the resort's lagoon pool, through to expert in-the-water instruction. Tropicsurf can also arrange off-site day visits to some of the toughest breaks in Bali.
